# Career Guidance through Machine Learning

The screenshot shows the Nayi Disha website interface. At the top, there's a navigation bar with 'Services', 'About us', and 'Contact us'. A user profile for 'Harshit Singla' is visible. The main content area is divided into two sections. On the left, 'Jobs & Internships just for you' features a search bar and filters. It lists three job opportunities: 'Front-end Developer' at Uplers (97% Selection Chance), 'Full Stack Developer' at Deep Ayurveda (20% Selection Chance), and another 'Front-end Developer' at Uplers. On the right, a detailed job description for 'Full Stack Developer' at 'Deep Ayurveda' is shown. It includes a 'Job Description' paragraph, a list of 'Preferred Requirements' with checkboxes (e.g., Knowledge of frontend testing frameworks, Experience in programming with Go), and a section for 'Suggested Courses' with icons for Jest, Vite JS, Docker, and a person. At the bottom of the job description are 'Save' and 'Apply Now' buttons.
